How to Use This Map

While the subway operates at all times, each and every day of the year, some services do not operate at certain times. This map depicts weekend daytime and evening service. Certain lines may be suspended or rerouted and/or some stations may be skipped due to weekend construction work. Unless otherwise noted, service changes are in effect between midnight, Saturday morning through 5am, Monday. Use the service advisory blips and the key below as a guide for scheduled service. Visit mta.info for up-to-the-minute service changes.
